

August 15<sup>th</sup>, 2013

Dear Parents,

As you have heard via national media, *bullying* is a big topic of conversation. One way to work through and/or avoid bullying is to get to know classmates and make positive connections with them. So we are taking even more time to get to know our students and classmates at the beginning of the year. Please take the weekend to work on the **ALL-ABOUT-ME ROBOT** with your child. You can do the writing or your child. Have your child do the drawings and coloring of the robot. (You can help with the coloring - make it FUN family time.) **I would like the picture to be a family picture IF possible and don't forget the pets.** (I have 2 other lessons we will do that require a family picture so I can just make copies of this one.) I would like to have them returned to school Tuesday or Wednesday of next week - August 19<sup>th</sup> -20<sup>th</sup>. Each child will be sharing their individual robot with the class. I can't wait to learn more about my students!!! Thank you for your help with this project.

Mrs. Goeden
